Duralast wheel bearings, any good? - Honda-Tech - HondaJan 24, 2012 — timken does make good bearings. these bearings are sealed bearings u dont "pack" them with grease just if installing them yourself put grease

Wheel Bearings - OEM vs Duralast vs Timken | BMW E46Oct 25, 2010 — I don't have a new OEM bearing to review, but what can you really say? They are OEM and quality. Below is one of my used OEM wheel bearings No More Timkin at Autozone | IH8MUD ForumI always bought wheel bearings and seals from the Zone because they had I've also had very good luck with parts from NAPA (brake calipers, rotors). National brand bearings don't last all that long and duralast doesn't
